

Hi, my name is Lisa Rushton. This is my fourth year working with Mrs. Burley as her Paraprofessional. I have lived here in McDuffie County all my life. I graduated from our very own Thomson High School in 1989. I have been married to my husband, Scott for eight years. We have three wonderful children which also attend McDuffie County Schools. Kaitlyn, age 14; Megan, age 11; and Cameron, age 6. My hobbies include being with my family and drawing.

After becoming a paraprofessional I realized how much I loved being in the classroom and being with children. I decided to pursue a career as a teacher. I graduated from Augusta Technical College in 2008 and received my diploma in Early Childhood Care and Education. I am currently attending Augusta State University working on my Bachelors of Science in Early Childhood Education.
